Any Other Time

Any Other Time

(A.B. (Banjo)Paterson)

All of us play our very best game

Any other time

Golf or billiards, it's all the same

Any other time

Lose a match and you always say,

"Just my luck! I was off today!

I could have beaten him quite half way

Any other time"

After a fiver you ought to go

Any other time

Every man that you ask says "oh,

Any other time

Lend you a fiver? i'd lend you two,

But i'm overdrawn and my bills are due,

Wish you would ask me - now mind you do

Any other time"

Fellows will ask you out to dine

Any other time

"Not tonight for we are twenty nine

Any other time

Not tomorrow, for cook's on strike;

Not next day, i'll be out on the bike;

Just drop in whenever you like

Any other time"

Seasick passengers like the sea

Any other time

"Something I ate disagreed with me

Any other time

Ocean travelling is simply bliss

Must be my liver has gone amiss

Why I would laugh at seas like this

Any other time"

Most of us mean to be better men

Any other time

Regular upright characters then

Any other time

Yet somehow as the years go by
Still we gamble and drink and lie
When it comes to the last we'll want to die
Any other time!
