Bang Bang Lulu

Bang Bang Lulu

Lulu had two boyfriends, both of them were rich
One was the son of a baker, the other was the son of a ...

Ask me nor more questions, I'll tell me o more lies

Flies in the buttermilk, shoo fly shoo
Flies in the buttermilk, shoo
Flies in the buttermilk, shoo fly shoo
And that's the end of Lululu

Also sung with a chorus of:

Bang bang Lulu, Lulu bang bang
Who's gonna bang for Lulu
When Lulu's gone away

Or with a chorus of

I yi yi yi, in China they do it for chili
Here comes another verse that's worse than the other verse
So waltz me around again Willie

Note: bang bang was really gang bang, I'm told, but at that age
who knew that bang meant anything but a loud noise, so we sang
bang bang.
