

Bennachie

Bennachie

O gin I were whar Gaudie rins,
Whar Gaudie rins,
Whar Gaudie rins,
O gin I were whar Gaudie rins,
At the back o' Bennachie

I hae had but twa true loves,
But twa true loves
But twa true loves
I hae had but twa true loves,
And they lo'ed me dearly

The first was killed at the Lowren(?) Fair
At the Lowren Fair
At the Lowren Fair
The first was killed at the Lowren(?) Fair
The other drooned in the Dee

O, wasn't that a dewy day
A dewy day
A dewy day
O, wasn't that a dewy day
A dewy, dewy day
