Cape Cod Girls

Cape Cod Girls

Cape Cod girls don't use no combs,
Haul away, haul away!
Combs their hair with cod fish bones.
An' we're bound for south Australia!

Heave her up me bully, bully boys.
Heave her up and don't ye make no noise,

Cape Cod cats don't have no tails,
Lost them all in southeast gales.

Cap Cod kids don't have no sleds,
They slide down hills on cod fish heads.

Cape Cod ladies don't have no frills,
Skinny and light as codfish gills.

Cape Cod folks don't have no ills,
Cape Cod doctors feed 'em Codfish pills.
