Coal Ship Song

Coal Ship Song

A Life on the Ocean Wave
The fellow that wrote that song
I'd like to s*** on his grave
A turd about nine inches long.
'Cos he's never been to sea
On a Sunday afternoon
And he's never coaled ship in his watch below
Or he'd bloody soon change his tune.

tune: Life on the Ocean Wave

Note: As Tawney put it: "succinct". RG
