## Congo River (2)

Congo River (2)

Chorus: Way, hey, hey, me bully boys.

Oh, what a hell of a wedding over Congo river  
Monkey married to the Baboon's daughter

What do you think they had for their dinner  
Mosquito, gull and sandfly liver

Monkey get up to take some rice  
Baboon say, ``Leave the rice alone"

Monkey get up to take some rice  
Monkey say, ``I might take along"

Monkey married to the Baboon's daughter  
Monkey and Baboon take everything for themselves

Nobody take a taste from them  
(Repeat 1st two verses)
