

Exodus

Exodus

This land is mine,
God gave this land to me
This plain and ancient land to me

And when the morning sun
Rises o'er hill and tree
Then I'll see a land
Where children can run free

So take my hand
And walk this land with me
The plain and ancient land with me

Though I am but a man
When you are by my side
With the help of God
I know I can be strong
To make this land my own
If I must fight
I'll fight to make this land my own

Until I die, this land is mine!
