**Johnson Gal**

Johnson Gal

Want to get to heaven, yes I do  
I want to get to heaven with the Johnson crew

Want to get to heaven, and I want to go straight  
Want to walk through the Pearly Gates

Oh my Honey can't you see  
That you'll never get to heaven 'less you do like me

See them girls dressed so fine  
They ain't got Jesus on their minds

Everywhere in this world I go  
Can't get around for the calico
