Journey to My Saviour's Side

Journey to My Saviour's Side
(Tom Lee and R. Graham)

Life is so short, the way is rough
My spirit is stained with sin.
But Christ can lift me up if I
Will only trust in Him.

My journey to my Saviour's side
Will end in perfect peace,
Though life on earth is trial and pain,
His love's my soul's release.

Oh Jesus made my sins His own,
He died on Calvary's tree,
His life a beacon in my heart
He laid a path for me.

My journey to my Saviour's side
Will end in perfect peace,
Though life on earth is trial and pain,
His love's my soul's release.

The gates of heaven are open wide,
He stands inside the door,
and bids me come to cleanse my soul
and live forever more.

My journey to my Saviour's side
Will end in perfect peace,
Though life on earth is trial and pain,
His love's my soul's release.
His love's my soul's release.
