Korea

Korea

I'm looking over a well fought over
Korea that I abhor
One for the money
And two for the show
Ridgeway said stay
But we want to go.
There's no use explaining
Why we're remaining
We've got what we're fighting for
Korea, Korea --- and diarrhea
To make the rice grow some more.

Tune: I'm Looking Over a Four-Leaf Clover
from There I Was ... Flat on my Back, Stevens
