Lighthouse (Shine on Me)

Lighthouse (Shine on Me)

I am a sailor
out on the ocean
far from land
as I can be
But, I am not afraid
no, I will never worry
'cause the light of your lighthouse shines on me

cho: Shine on Me
Shine on Me
Let the light of your lighthouse
Shine on me (repeat)

Built upon a rock
carved out of a mountain
laid upon the shore
pointing out to sea
stands a mighty light
and I will never worry
'cause the light of your lighthouse shines on me

Oh, the sea gets rough
and the boat may get a-rocking
and the gale winds blow
the waves grow tall as trees
But there's peace in my heart
and I will never worry
'cause the light of your lighthouse shines on me
