Love Has No Pride

Love Has No Pride

I've had bad dreams too many times
To think that they don't mean much at all
Good times have gone and left my sad home
Friends who once cared just walked out my door.

CHORUS

Love has no pride when I call out your name
Love has no pride when there's no one left to blame
I'd give anything to see you again

I've been alone too many nights
To think that you could come back again
I've heard you talk, "She's crazy to stay"
But this love hurts me so I don't care what you say.

If I could buy your love I'd truly try my friend
And if I could but pray, my prayers would never end
If you want me to beg, I'll fall down on my knees
Asking you to come back
I'll be pleading for you to come back,
Begging you to come back to me.

Chorus.
