

The Maiden's Song

The Maiden's Song

The maidens came when I was in my mother's bower.
I had all that I would.

The bailey beareth the bell away.
The lily, the rose, the rose I lay

White's the silver, red is the gold.
The robes they lay in fold.

The bailey beareth the bell away.
The lily, the rose, the rose I lay.

And through the glass window shines the sun
How could I love and I so young.

The bailey beareth the bell away.
The lily, the rose, the rose I lay
