They say he killed his wife, killed his wife

They sent him to the quad, to the quad, to the quad  
They sent him to the quad, to the quad  
They sent him to the quad 'cos he was a wicked - man  
They sent him to the quad, to the quad

The judge's name was Hunt, name was Hunt, name was Hunt  
The judge's name was Hunt, name was Hunt  
The judge's name was Hunt and he was a silly - fool  
The judge's name was Hunt, name was Hunt

The jailer's name was Jock, name was Jock, name was Jock  
The jailer's name was Jock, name was Jock

The parson came at last, came at last, came at last  
The parson came at last, came at last  
The parson came at last, with his prayer book up his - sleeve  
The parson came at last, came at last,

So they hung poor Nobby Hall, Nobby Hall, Nobby Hall  
they hung poor Nobby Hall, Nobby Hall  
they hung poor Nobby Hall, by his one remaining - arm  
they hung poor Nobby Hall, Nobby Hall
