On the Other Hand

On the Other Hand

(Randy Travis)

On one hand I count the reasons I can stay with you
And hold you close to me all night long
So many lover's games I'd love to play with you
On that hand there is no reason why its wrong

CHO: But on the other hand there's a golden band
To remind me of someone who would not understand
On one hand I can stay and be your loving man
But the reason I must go is on the other hand

In your arms I feel the passions I thought had died
When I looked into your eyes, I found myself
And when I first kissed your lips I felt so alive
I've got to hand it to you girl, you're something else
