Shower the People

Shower the People
(James Taylor)

You can play the game and you can act out the part
Though you know it wasn't written for you
But tell me how can you stand there with your broken heart
Ashamed of playing the fool

One thing can lead to another
It doesn't take any sacrifice
Oh, father and mother, sister and brother
If it feels nice, don't think twice just

Shower the people you love with love
Show them the way that you feel
Things are gonna work out fine if you only will
Shower the people you love with love
Show them the way that you feel
Things are gonna be much better if you only will

You can run but you cannot hide
This is widely known
And what you plan to do with your foolish pride
When you're all by yourself alone

Once you tell someone the way that you feel
You can feel it beginning to ease
I think it's true what they say about the squeaky wheel
Always getting the grease.
Better to

CHO: Shower the people you love with love
Show them the way that you feel
Things are gonna work out fine if you only will
Shower the people you love with love
Show them the way that you feel
Things are gonna be much better if you only will

Shower the people you love with love Show them the way that you feel.

They say in every life
They say the rain must fall, oh
And just like the pouring rain
Make it rain

Make it rain
Love, love, love is sunshine, oh
Make it rain Make it rain
