Sinner You'd Better Get Ready

Sinner You'd Better Get Ready

Oh sinner, you'd better get ready
Oh you'd better get ready hallelujah,
Sinner you'd better get ready,
The time's a comin when the sinner must die.

Oh god gave Noah the rainbow sign,
The time's a comin when the sinner must die,
I won't be by water, be by fire next time,
The time's a comin when the sinner must die.

I thought I heard the preacher say,
The time's a comin when the sinner must die,
You'd better get down on your knees and pray,
The time's a comin when the sinner must die.
