## Up Among the Heather

Up Among the Heather

Up among the heather on the hellabenafee  
It was there I had a bonny wee lass sitting on my knee  
A bungbee stung me well above the knee  
We rested down together on the hellabenafee

Said I me bonny wee lassie are ya going to spend the day  
Up amongst the heather on the hellabenafee  
Where all the lads and lassies they're having a sobree  
Up among the heather on the hellabenafee  
Up among the heather on the hellabenafee  
It was there I had a bonny wee lass sitting on my knee  
A bungbee stung me well above the knee  
We rested down together on the hellabenafee

Said I me bonny wee lassie please take my advice  
Don't ever let a soldier laddie love you more than twice  
For all the time you do, he's a fixing how to plan  
How to get a wee-be rattle at your old tin can

Up among the heather on the hellabenafee  
It was there I had a bonny wee lass sitting on my knee  
A bungbee stung me well above the knee  
We rested down together on the hellabenafee
