## Wilson Avenue Bump

Wilson Avenue Bump

SOURCE:

Bob Pfeffer

SOURCE'S SOURCE: Julie Pfeffer

COMMENTS: Refers to road conditions by the Wilson Ave. exit on US1  
near Newark

C E A D

When you drive on US 1, it's the getting there that's fun

D

You'll find the spot where the pavement's not

D G

So let that engine gun

G C

CHORUS: Oh, do the bump, do the bump, do the Wilson Avenue bump

D<C+2

Just floor that pedal, hear the scrape of metal,

D G

And feel that Datsun jump

Those Toyotas, they tiptoe, where the asphalt sinks so low

Give the gas a stamp, zoom up the ramp

And through the air we'll go

Oh, in their li'l subcompact cars, flyin' at 60 miles an hour

The trucks all shun it, the cabs outrun it

But the imports hit the tar

Now if you are seeing red, about bashing up your head

Just shock-absorb it, bring it out of orbit

Be grateful you're not dead.
