Y'All Come

Y'All Come

When you live in the country, everybody is your neighbor
On this one thing you can rely
They'll all come to see you, and never ever leave you
Sayin "Y'all come to see us bye and bye"

Y'all come, y'all come,
Y'all come to see us now and then
Y'all come, y'all come,
Y'all come to see us when you can

Kinfolks a-comin', they're a-comin' by the dozed
Eating everything from soup to hay
And right after dinner, they ain't lookin' any thinner
And here's what you hear them say

Grandmaw's a-wishin' they'd all come into the kitchen
and help do the dishes right away
But they all start a-leavin' even though she's a-grievin'
You can still hear grandmaw say
