## Your Light From the Lighthouse

Your Light From the Lighthouse

cho: Let it shine on, let it shine on,  
Let your light from the lighthouse shine on me,  
Let it shine on, let it shine on,  
Let your light from the lighthouse shine on me,

My Lord he done just what he said  
Let your light from the lighthouse shine on me,  
He healed the sick and he raised the dead  
Let your light from the lighthouse shine on me,

I know I got religion and I ain't ashamed  
Let your light from the lighthouse shine on me,  
Angels in heaven gonna call my name  
Let your light from the lighthouse shine on me,

One of these days, 'bout twelve o'clock  
Let your light from the lighthouse shine on me,  
This ol' world gonna reel and rock  
Let your light from the lighthouse shine on me,

from the singing of Jean Redpath and Lisa Neustadt  
on Angels Hovering 'Round
