Count Your Blessings And Smile-1940

Regal Zonophone MR3316 Gifford/Cliffe/Formby

Though plans may often go wrong, let em hear your voice,
Youll find that rhythm and song, make the world rejoice
Make life go with a swing, laugh at trouble and sing,
Tra-la-la-la-lala-lala, Count your blessing and smile.

While youre playing your part, keep a song in your heart,
Tra-la-la-la-lala-lala, Count your blessing and smile.
Sing low, sing high, isnt it grand, beating the band.
Who wants to die, oh what a happy land hi!
Show them what you can do, make a hullabaloo
Tra-la-la-la-lala-lala, Count your blessing and smile.

You got to get together, swing it around
Now get together, swing it around
Make life go with a swing and a smile,
Laugh at trouble and sing all the while
Now count your blessings and smile

While youre playing your own little part
Youve gotta keep a song in your heart,
Black puddings and tripe and trotters, Count your blessings and smile.
Sing low, sing high, isnt it grand beating the band,
Who-oo-oo who wants to die, oh what a happy happy land.
Show them what you can do, make a hullabaloo
Oo oo oo ha ha ha ha
Count your blessings, one two three
Count your blessings, four five six
Count your blessings and smile

Show then what you can do, make a hullabaloo
Oo oo oo oo, ha ha, ha, ha
Count your blessings and smile.
