Regal Zonophone MR2925 Harry Gifford, Fred E. Cliffe & George Formby

[D] Things have gone wrong [G] with my love song
I'm [D] not sere- [A] nading to- [D] night [A7sus4] [D7]
[G] In my place there's [D] somebody new
[E7] doing the things that [A7] I ought to do

[D] I wonder who's under her balcony now
[E7] who's kissing my girl
[A7] Will he kiss her [D] under the [B] nose
[E7] Or underneath the archway where the [A7] Sweet William grows

[D] If he's fresh and [F#7] gets too free
I [G] hope a bulldog [E7] bites him in the [A7] place it bit me
[D] I wonder who's under her [B] balcony now
[E7] who's [A7] kissing my [D] girl

[D] I wonder who's under her balcony now
[E7] who's kissing my girl
[A7] Will he kiss her [D] under the [B] nose
[E7] Or underneath the archway where the [A7] Sweet William grows

[D] I will bet [F#7] ten to one
there's [G] not a thing that [E7] he can do that [A7] I haven't done
[D] I wonder who's under her [B] balcony now
[E7] who's [A7] kissing my [D] girl

[D] I wonder who's under her balcony now
[E7] who's kissing my girl
[A7] Will he kiss her [D] under the [B] nose
[E7] Or underneath the porchway where the [A7] Sweet William grows

[D] May he fall [F#7] feel a wreck
and [G] stagger home with [E7] half the trellis [A7] work round his neck
[D] I wonder who's under her [B] balcony now
[E7] who's [A7] kissing my [D] girl

Instrumental chorus and verse
