

I'm As Happy As A Sandboy-1937

I'M AS HAPPY AS A SANDBOY-1937

From feather your nest

Away with depression, away with all care
I've got the impression I'm walking on air.
The outlook is splendid, that's just how I feel
My troubles are ended, I've found my ideal.

'Cause I'm as happy as a sandboy, with a castle made of sand
I'm as happy as a sandboy, made the leader of the band
I can always see the rainbow, when I look into her eyes.
I can always see the rainbow as the sun sinks in the skies.
Tra la, la, la, la, la, la, la, la.
That is what I feel I want to say.
For today I found my lucky star
With a hip, hip, hip hooray.

I'm as happy as a sandboy, I'm beside myself with glee.
I'm the happiest man in the world, cause she said yes to me.
I'm as happy as a sandboy, with a castle made of sand.
I'm as happy as a sandboy, made the leader of the band.
I can always see the rainbow, when I look into her eyes
I can always see the rainbow as the sun sinks in the skies.
Wedding bells are going to ring for me
Furthermore I solemnly declare
We will have a lovely family tree, with grand kids everywhere.
Oh I'm as Happy as a Sandboy, I'm beside myself with glee
I'm the happiest man in the world, 'cause she said yes to me.
