It’s Just Like His Great Love

**Refrain**

Confessing all my guilt to Him, the sin-clouds rolled a-way.
In pity bursts the clouds be-tween, and shows me He is there.
For heav’n-ly hope He gives that cheers like sun-shine af-ter rain.
When Je-sus whis-pers, “Peace, be still!” and rolls the clouds a-way.

It’s just like Je-sus to keep me day by day, It’s just like Je-sus all a-long the way, It’s just like His great love.
