### All In All

C                    G                    Am  
You are my strength when I am weak  
                         C                    F  
You are the Treasure that I seek  
                         C    G    C    G  
You are my all in all  
C                    G                    Am  
Seeking you as a precious Jewel  
                         C                    F  
Lord, to give up I'd be a fool  
                         C    G    C  
You are my all in all

#### Chorus:

C    G    Am            C  
Jesus, Lamb of God  
F            C    G    C    G  
Worthy is your name  
C    G    Am            C  
Jesus, Lamb of God  
F            C    G    C    G  
Worthy is your name

C                    G                    Am  
Taking my sin, my cross my shame  
                         C                    F  
Rising again, I bless your name  
                         C    G    C    G  
You are my all in all  
C                    G                    Am  
When I fall down you pick me up  
                         C                    F  
When I am dry you fill my cup  
                         C    G    C  
You are my all in all
