Christ The Lord Was Really There
Old Gospel Song

1. Let me tell you how the Lord came into my heart to stay,
How He cast all my sins for away;
How He took a wayward heart and made it pure within,
How He spoke peace and changed me within.

CHORUS:

I was on my knees, in pray'r, Christ the Lord was really there,
And He flooded my soul, made the joy billows roll,
Yes, the Lord was really there, to relieve my ev'ry care,
And He spoke sweet peace to my soul.

2. When I knelt there on my knees something new cam over me,
It was peace joy and wonderful love;
I can shout the victory since He set this sinner free;
When He spoke peace from heaven above.
