### Create In Me A Clean Heart

G D C G D G

G                   D         C            G  
 Create in me a clean heart, O God,  
                                       D                    G  
 And renew a right spirit within me.  
 G                   D         C            G  
 Create in me a clean heart, O God,  
 G                                 D                    G  
 And renew a right spirit within me.  
 C                   D                    G  
 Cast me not away from the presence O Lord  
               C                             D                    G   G7  
 And take not thou Holy Spirit from me  
 C                   D         G         G/F#           Em  
 Restore on to me the joy of life's salvation  
 C                                 D                    G  
 And renew a right spirit within me  
 G                   D         C            G  
 Create in me a clean heart, O God,  
                                       D                    G  
 And renew a right spirit within me.  
 G                   D         C            G  
 Create in me a clean heart, O God,  
 G                                 D                    G  
 And renew a right spirit within me.

SOLO

C                   D                    G  
 Cast me not away from the presence O Lord  
               C                             D                    G   G7  
 And take not thou Holy Spirit from me  
 C                   D         G         G/F#           Em  
 Restore on to me the joy of life's salvation  
 C                                 D                    G   Em  
 And renew a right spirit within me  
 C                                 D                    G  
 And renew a right spirit within me
