### Do You Want To Live In Glory

Chorus:

C  
Do you want to live in glory  
                  Am                  G  
Oh dear friend, forevermore  
C  
Do you want a life eternal  
                  Am G                  C  
Somewhere on that golden shore

Many times I sat there crying  
As a friend was passing on  
But all those times he gave me comfort  
And the strength to carry on

From this world of pain and sorrow  
To that golden promised land  
There I'll go now Lord tomorrow  
I know God will hold my hand

As my time on earth grow shorter  
I'll not fear that last long day  
For a better home awaits me  
And sweet Jesus leads the way
