They're trying to take the Bible out of our schoolrooms

But if they take our Bible out of our school rooms
C F
Then how can this old world get anywhere
Bb F
Don't let them take the Bible out of our school rooms
F C
Don't let them close the door of your child's heart
F F7 Bb
Don't let them rob our children of salvation
C F
If you do we're going to lose them from the start
F C
Our leaders had a meeting up in Washington
F
They write that laws that keep our country free

If we cease to teach our children about Jesus
C F
No school room could teach them what they need
Bb F
Don't let them take the Bible out of our school rooms
F C
Don't let them close the door of your child's heart
F F7 Bb
Don't let them rob our children of salvation

If it's right to allow liquor in most counties

Bb F

Don't let them take the Bible out of our school rooms
F C
Don't let them close the door of your child's heart
F F7 Bb
Don't let them rob our children of salvation
