Every Hour And Every Day  
Old Gospel Song

1. Once in the stillness of the late midnight hour,  
I felt the presence of the Lord's saving power;  
I fell on my knees, and cried to Him there,  
Oh, merciful Savior, hear a lost sinner's prayer.

CHORUS:

Well, every hour and every day,  
Well, every moment, in every way;  
I'm leaning on Jesus the rock of my soul,  
I'm singing His praises wherever I go.

2. I'll never forget that night on my knees,  
The joy of that hour has never left me;  
It's life's sweetest mem'ry that time can't erase,  
I'm saved by His mercy, redeemed by His grace.
