# Father God I wonder

Em D  
Father God I wonder how I managed  
C  
to exist without the knowledge of Your parenthood  
B  
and Your loving care;  
Em  
but now I'm Your son;  
Bm  
I am adopted in Your family,  
C  
and I can never be alone,  
B  
for Father God You're there beside me.

Em D  
I will sing Your praises, I will sing Your praises,  
C B Em  
I will sing Your praises, forever more.
