Feet on The Rock

Chorus 1

N/C G
I put my feet on the rock
 C G
And my name on the roll

And when it's called up yonder

 A D
I won't worry about my soul
G
I know my home is waitin'

 C
And it's somethin' to behold
 G

I put my feet on the rock
D
And my name on the roll

Verse

G
I'd never heard the gospel
C G
Spread like that before
G D G
I guess the message comes in many ways

Those simple words of wisdom

 C
Can open Heaven's door
G D G
So every time I get the chance I say

Chorus 2

G
Come on, put your feet on the rock
C G
And your name on the roll

So when it's called up yonder

 A D
You won't worry about your soul
G G7

You know your home is waiting
C C7
And it's something to behold
G
So put your feet on the rock
D G
And your name on the roll
