

# Forever I Will Be Yours

Forever I will be Yours

G            Em                    C            D  
 Heavenly Father, I come before you,  
                  G  
 with all my cares.  
                  Em                    C            D  
 I lift my hands to you in surrender,  
                  Em  
 Who can compare?  
                  C                    Em    C                    D    C  
 Change my heart God, for I long to be like you,  
                  D            G  
 to be like you

                 D                    C  
 You are light, You are holy  
                  D            G  
 Forever I will be yours  
                  D                    C  
 You are love, You show mercy  
                  D            Em  
 Forever I will be yours.

                 D            C  
 Forever I will be yours  
                  D            Em  
 Forever I will be yours  
                  D            C  
 Forever I will be yours  
                  D            G  
 Forever I will be yours
