Grandma's Rocking Chair  
Old Gospel Song

1. I went to live with Grandma when I was just a kid  
And if someone ever needed someone, I'm someone who did.  
She loved Grandpa and Jesus with plenty love to share  
And she told me all about it in her big old rocking chair.

CHORUS:

I learned about Jesus in my Grandma's rocking chair,  
And sometimes when I'm troubled, I wish that I were there.  
Oh, when she sang of His sweet love, I didn't have a care.  
I learned about Jesus in my Grandma's rocking chair.  
Tag: Yes, I learned about Jesus in my Grandma's rocking chair.

2. I used to love to hear her hum as she went through the day,  
And each night at bedtime, I loved to hear her pray.  
She taught me about heaven waiting way up there,  
And I first felt that feelin' in my Grandma's rocking chair.
