

Grow Something New

Grow Something New

By: Matt Frazier

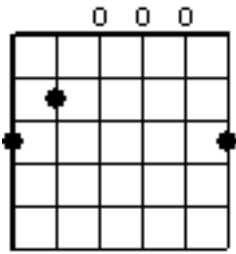

G **Am7**
Lord, you're the keeper of what you grow
G **Am7**
You water, you guard, for fruit to show;
C **Em** **Fmaj7**
for mercy and justice to flow.
C **Em** **Fmaj7** **Am7** **D**
You planted the vineyard, our needs you know...

G **C**
Grow something new in our lives, oh God.
Am7 **Bm7** **Em**
Grow something peaceful, grow something true.
G **C**
Grow something new in our lives, oh God.
Em **D** **G** **C**
Grow something new, turn our hope back to you.

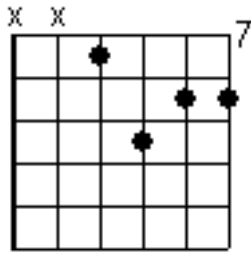

G **Am7**
You broke down the wall of hostility.
G **Am7**
You bring us near you so we can see
C **Em** **Fmaj7**
who you want us to be:
C **Em** **Fmaj7** **Am7** **D**
Not many but one for eternity.

G **C**
Grow something new in our lives, oh God.
Am7 **Bm7** **Em**
Grow something peaceful, grow something true.
G **C**
Grow something new in our lives, oh God.
Em **D** **G** **C**
Grow something new, turn our hope back to you.
