Have You Visited Heaven Lately
Old Gospel Song

CHORUS:

Have you visited heaven lately and found Jesus waiting
With open arms to draw you close to Him?
Have you had a sweet conversation with the God of our creation?
Has the Spirit fed your hungry soul today?

1. I'm talking with the Master, how good it is to share
Telling Him I love Him, and leaving Him my cares.
I ask Him please, give my heart ease, and turn my world around.
He lifts me up and fills my cup, and then I'm glory bound.

2. We find a little Heaven every time we kneel in prayer
And when I'm with a problem, His Spirit's always there.
We lift our eyes toward the skies and raise our voice to sing,
Heaven's door swings open and there stands the KING.
