He's Coming Back Again  
Old Gospel Song

1. All the pain and shame they caused my blessed Savior,  
All the scars that marred the body of my Lord;  
All the miles between this earth and God's blue heaven,  
Could not keep Him from returning back to earth.

CHORUS:

He's coming back again and I'm the only reason,  
Like a groom He'll be returning for His Bride;  
Preparations have been made; I'll soon be going,  
I've a mansion over on the other side.

2. When He comes again, He will not need a manger,  
Earthly man will not be mocking His sweet name;  
King of Kings and Lord of Lords He'll be returning,  
With great triumph He'll be rapturing the saints.
