He's Coming Soon  
Old Gospel Song

CHORUS:

He's coming soon, there's no doubt,  
I'm gonna leave this old world with a shout.  
Soon I'll be gone and things will be right,  
Keep looking up, He may come tonight.

1. The trumpet will sound and those in the ground  
Who have kept the faith will be Heaven bound.  
We who remain are going too.  
I'm gonna be there, now how about you?

CHORUS:

He's coming soon, there's no doubt,  
I'm gonna leave this old world with a shout.  
Soon I'll be gone and things will be right.  
Keep looking up, He may come tonight.

2. Nations will tremble, folks run to and fro  
Then we'll all assemble on this old world below.  
Knees will start to bowin' and tongues shall proclaim  
That Jesus, my Savior, is the King of Kings.

3. My heart is overflowin' with joy and peace.  
I know I'll soon be resting ----- at my Savior's feet.  
It may be in the morning, it may be at noon.  
I don't know when He's coming but I know He's coming soon.
