He Has Never Changed
Old Gospel Song

1. Who spoke to the darkest night, turned it into day?
Who spoke to the Red Sea and it parted right away?
Who spoke out of the burning bush as if it were a man?
I'm talking 'bout Jesus, He has never changed.

CHORUS:

There has never been nor will there ever be
A man like the one who came from Galilee.
He's the One who opened blinded eyes, the One who healed the lame.
I'm talking 'bout Jesus, He has never changed.

2. Who spoke and turned the water into wine?
Who spat upon the ground and gave sight to the blind?
Who spoke to the dumb man and He can talk?
Who spoke to the lame man? He got up and walked.
