He Means The World To Me  
Old Gospel Song

1. They lifted angry voices and then cried, "Crucify".  
They were glad to watch Him suffer. They were happy when He died.  
They gambled for His garment while He hung on the tree.  
He didn't mean much to this world, but He means the world to me.

CHORUS:

My life was down to nothing. Jesus turned my world around.  
My hopes and dreams were shattered lying scattered on the ground.  
Oh yes, I really love Him, yet it's plain to see  
He didn't mean much to this world, but He means the world to me.

2. An angry Roman soldier heard Him say, "I thirst".  
Just a simple plea for Jesus. They made mockery of his thirst.  
Someone said that times are changing, yet anyone can see,  
He still don't mean much to this world, but He means the world to me.
