I'll Leave It All Behind  
Old Gospel Song

1. Troubles and trials all around  
But when I hear that trumpet sound  
I'll leave it all (I'll leave it all)  
When I go home. (When I go home.)  
Sorrow and pain I will endure  
But there's one thing that is sure.  
I'll leave it all (I'll leave it home)  
When I go home. (When I go home.)

CHORUS:  
I'll leave it all (I'll leave it all)  
When I go home. (When I go home.)  
Saints all gathered (Saints all gathered)  
Around the throne. (Around the throne.)  
Singing praises (Singing praises)  
To God in song (To God in song)  
I'll leave it all (I'll leave it all)  
When I go home. (When I go home.)

2. Walking by faith and not by sight  
Towards that land of eternal light  
I'll leave it all (I'll leave it all)  
When I go home. (When I go home.)  
Watching and listening for the sound  
Then all the saints will leave the ground  
I'll leave it all (I'll leave it all)  
When I go home. (When I go home.)
