I Got It That Way  
Old Gospel Song

1. Some people don't believe in deliverance from sin,  
It's all an illusion they say  
For a man to declare that he knows he got saved.  
But, brother, I got it that way.

CHORUS:

I got it that way, Hallelujah,  
And still I possess it today.  
Some people may doubt when the vict'ry I shout,  
I got it, I got it that way.

2. They tell us to just find a church of our choice,  
And start right into work from that day.  
Some others I know sign their names on a card,  
But, brother, I didn't get it that way.

3. They say it's unscriptural to kneel at a bench,  
At an old fashioned altar to pray.  
I have only one argument, brother, for that,  
I got it, I got it that way.
