Db	E	F#
I Was born with an angel whispering in my ear		
Db	E	F#
Telling me sacred secrets that God wanted me to hear.		
A	B	
And I have lived to tell the mysteries I've been told		
A	B	
And even when they tell me it's my time to go		
E	F#	
No I will not, No I will not		
Db		
Not go quietly		
E	F#	
No I will not, No I will not		
A	B	
Not go quietly no, no, Not go quietly no, no		
Db		
Not go quietly		

These things I tell, they are much truer  
 than the heart of he who speaks  
 Even so, this humble servant  
 can not help but talk about his King  
 so I will sing 'cause I can't hold back the song  
 I shout and scream, until God takes me home

#### CHORUS

Bridge

E
So how can I keep Silent
F#
So how can I not speak
A
And tell about the Saviour
B

Who has set this prisoner free.
