Traditional Gospel Songs with Chords

Christian lyrics from www.traditionalmusic.co.uk

Words and music: Willie Nelson

In God's Eyes

3/4

С G7 С Never think evil thoughts of anyone. G7 С It's just as wrong to think as to say. C7F Вb F For a thought is but a word that's unspoken. С G7 С In God's eyes He sees it this way.

Bridge: C7 F Вb F In God's eyes we're like sheep in a meadow, Bb F And now and then a lamb goes astray. G7 С G С But open arms should await on its returning. G7 С In God's eyes He sees it this way.

Lend a hand if you can to a stranger. Never worry if he can't repay. For in time you'll be repaid ten times over. In God's eyes He sees it this way.
