Jesus Is Waiting  
Old Gospel Song

1. Through this span of life we are often tempted,  
Searching for things with an earthly gain.  
I have set my goal for a home in Heaven  
Some day with Jesus I will reign.

CHORUS:

Jesus is waiting (waiting with a robe and crown)  
Happy I'll be to lay my heavy burdens down.  
(For I shall) meet Him in Heaven on the Judgment Day.  
I know that Jesus is waiting. He will guide me all the way.

2. As I travel here many days are weary,  
Burdens sometimes are so hard to bear.  
Then I see my dear Savior hanging on the cross,  
And I know that Jesus is waiting for my entrance there.

3. Many times I pray for His love to guide me.  
Guide me from pitfalls and this earthly strife  
And then I see a light shining through the clouds of Heaven.  
I know that Jesus is waiting with eternal life.
