Jesus Will Outshine Them All
Old Gospel Song

1. Oh, what glory awaits me in heaven's bright city,
When I get there such sights I'll behold!
A million scenes of rare beauty will demand that I view them,
Still Jesus will outshine them all!

CHORUS:

Mansions will glisten on the hills of glory.
Happy reunions on streets of gold.
Angel choirs singing glad praises forever
But Jesus will outshine them all.

2. The sparkling river is flowing, happy faces all glowing
Land of splendor where night never falls;
The golden glass gives reflection to that city's perfection,
Still Jesus will outshine them all.
