C G/B  
She was driving last Friday on her way to Cincinnati

On a snow white Christmas Eve  
C G/B  
Going home to see her Mama and her Daddy  
Am7 G/B  
With the baby in the backseat  
C G/B Am7 G/B  
Fifty miles to go and she was running low on faith and gasoline  
F  
It'd been a long hard year

C G/B  
She had a lot on her mind and she didn't pay attention  
Am7 G/B  
She was going way too fast  
C G/B  
Before she knew it she was spinning  
Am7 G/B  
On a thin black sheet of glass  
C G/B  
She saw both their lives flash before her eyes  
Am7 G/B  
She didn't even have time to cry  
F C  
She was so scared, she threw her hands up in the air

Chorus:

G  
Jesus take the wheel  
D  
Take it from my hands  
Am G/B C  
Cause I can't do this on my own  
G  
I'm letting go  
D  
So give me one more chance  
Am G/B C  
Save me from this road I'm on  
C G/B Am7 G/B C G/B F

Jesus take the wheel

          C                                  G/B  
It was still getting colder when she made it to the shoulder

And the car came to a stop  
          C                                  G/B  
She cried when she saw that baby in the backseat  
Am7                  G/B  
Sleeping like a rock  
          C                                  G/B  
And for the first time in a long time  
          Am7                  G/B  
She bowed her head to pray  
          F                                  C  
She said I'm sorry for the way I've been living my life  
          F                                  C  
I know I've got to change, so from now on tonight
