Just In Case Of Rapture  
Old Gospel Song

1. Just in case of Rapture, let me make this clear  
It's only fair to warn you that you'll see me disappear.  
But even while we stand here, so it comes as no surprise,  
I could leave at any moment in the twinkling of an eye.

CHORUS:

Just in case you see the Rapture take place  
I want you to know, I'm really gonna have to go.  
I can't hang around when I hear that trumpet sound  
So just in case of Rapture, don't look for me around.

2. Now you might see me on a plane or walking down the street.  
Now you see me, now you don't, that's how it's gonna be.  
But just in case you haven't heard, Jesus died for you,  
But if you'll let Him in your heart -----, then you'll be leaving too.
