Lord, Light A Candle
Old Gospel Song

1. Sometimes the way seems so hard to find. Troubles darken the day.
With doubt and confusion I lose sight of heaven, seems so distant to pray.
Sometimes I wonder, Lord, if You can hear me. Heaven seems so far away.
Lord, when I doubt You and Lord, I have failed You, forgive me, forgive me I pray.

CHORUS:

Lord, light a candle in the windows of heaven. Its light's gonna shine out for me.
So when I stumble, I fall in the darkness, the light will help me to see.
I'm not asking for much, Lord, not fortune, nor fame. I'm asking for this one thing, please.
O Lord, light a candle in the windows of heaven. Please light a candle for me.

2. I'm only human, I'm not very strong. I'm trying so hard to be.
Satan is always doing his best to get inside of me.
Lord, if You could touch me along my way, give me strength to be what I should be.
If it's not asking too much of You, Jesus, please light a candle for me.

CHORUS:

Tag: Please light a candle in the windows of heaven. O Lord, light a candle for me.
